## *Resource Team Newsletter - August/September 2022*

Dear Parent or Guardian,

Welcome! The Resource Team has been working hard to create an engaging curriculum for your child. We are committed to offering the best possible Art, Physical Education and World Language programs to your child. In return, your child must commit to participating in the assignments and work diligently to complete them in a timely manner.

The schedule for the Resource Team will look similar to last year's schedule. Each resource teacher will see students for 9 to 10 days in a row. For example, the Art class will see one 5th grade class everyday at the same time for 9 days. Assignments that are not finished, may be completed within that week. Please hand in assignments and include the students' first name, last name and room number. Assignments that are not finished will be listed as incomplete in the grade book. Students who do not complete assignments cannot earn points towards their cumulative grades. Assignments without a point value are detrimental to the quarterly score. Please check the Parent Portal for the most accurate information on student work.

We look forward to a new school year. Please remember to always check [Sabin's Website](#) for updates and the [CPS Website](#) for more information. If you have any questions you may contact us by sending us an email at:
